

International Conference on the Railway Telecommunication and Interlocking Systems

Dear business partner,

it is our great pleasure to invite you to the 15th annual session of International Conference on the Railway Telecommunication and Interlocking Systems we organize under the auspices of Ministry of Transport and Construction of the Slovak Republic, Railways of the Slovak Republic and Žilina University. The conference is taking place from 1th – 3rd April 2018 in Vyhne (hotel Sitno).

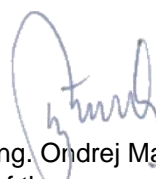

During the 14-years of our conferences we managed to create a successful international event which attracts participants not only from Slovakia, but also from the Czech Republic and other foreign countries. This success would not be possible without your support. This year we are expecting about 200 participants, which present big potential for communication in the industry and brings an opportunity to establish valuable contacts.

The coming conference offers the possibility to recognize the news in the area of railway telecommunication and interlocking systems during individual presentations and, in addition, it also offers many possibilities for personal meetings and professional discussions in small groups. We will appreciate your support of our conference program with your expertise, for example in the form of presentations. Furthermore, we would like to ask you for your active involvement in the preparation of the conference and provision of materials needed to fulfill our idea and goal.

Attached to this letter you can find our offer with different cooperation options. We hope you will find them interesting and that together we will make this event even better and more profitable for you. For further information please contact us using the address below.

We are looking forward to our cooperation and personal meeting during the conference.

Best regards on behalf of the sponsors of the event

Ing. Ondrej Maciak
Agent of the company Betamont

Sponsors:

Ministry of Transport, Construction and Regional Development
Railway of the Slovak Republic
Žilina University of Žilina
